

Request

1. Please provide a list of schools in your trust where halal/kosher meat is served in school meals. In this list, please indicate:
 - a) Which schools serve halal/kosher meat from animals that have not been stunned before slaughter and/or is certificated by the Halal Monitoring Committee (HMC).
 - b) Which schools serve only meat that is halal/kosher, i.e. the only meat options available are halal/kosher.
2. If there are any schools in your trust which serve only meat that is halal/kosher, please indicate how, if at all, parents are told this.
3. Please provide any policy documents from the Academy regarding school meals and/or halal and/or kosher meat.

Response

Information Not Held

I can confirm that Initio Learning Trust does not hold the specific recorded information you have requested regarding slaughter methods (stunning), HMC certification, or "halal-only" policies.

Our schools utilise external catering providers to manage and deliver hot school meals. These details are determined by the external providers, who may hold the technical specifications you are seeking.

The Trust does not hold any policy documents relating specifically to halal or kosher meat.
